

Parish Bulletins

Bulletin notices have been created to help your parish promote this year's MISSIO-NZ Church Appeal. Parish bulletins are an effective method of informing your parishioners about the upcoming appeal, and a nice way to thank them for their generosity and support following the appeal weekend. (you can download this from our website www.missio.nz/missionsunday)

One week prior to appeal:

"Here I am, send me!" Isaiah 6:8

Next weekend our parish will be holding the Pontifical Mission (MISSIO-NZ) Church Appeal. This year we are invited to partner with the needy Church in the Philippines. They reach out to those who have been affected by poverty and disability. They give them hope and support to live a fulfilling life.

Zyrhrie Costales is a seven years old girl but weighs only 7kgs when the team of Sr Maris found her. In recent months Zyrhrie has also been diagnosed with cerebral palsy. The reach-out program of the diocese of San Jose, Nueva Ecija in the Philippines led by the Canossian Sisters and their teams worked hard to help bring integral development of mind, body, and soul of the children of the Diocese. Zyrhrie represents the many children who longs to live with top health. The Missionary Canossian Sisters and their team need your help.

Next week you will be offered the opportunity to personally partner with the Church in the Philippines and other countries. Your gifts will specifically be directed to support communities and child-focused integral programs. May your generosity be an expression of your care for those less privileged. May your gifts be an expression of your response. Give from your heart.

On appeal weekend:

"Here I am, send me!" Isaiah 6:8

Today many people, especially children, are victims of poverty. This not only affect their health conditions, but also their education, social integration, and even their faith development. The missionary work of the Church is an effort to make human life regain value and dignity.

Poverty in a developing country shortens the lives of many. Today, in our MISSIO-NZ Newsletter, you will read the story of children like Zyrhrie who is affected by malnutrition but are assisted by missionaries, lay and religious. You can support the missionary work of the Church in more needy places outside New Zealand. Your gift of prayers and financial help will fund community and child-focused programs run by the Church in countries like the Philippines. Your one-off gift TODAY or your regular monthly gift made through MISSIO-NZ is very much appreciated and will make a great difference to those in need in the Philippines and around the world.
